2) My report Ref.P2.26973-51 dated 18.10.51.

**

Arrangements have been made to open two gruel centres in Coondapur Taluk for the present, one at Byndoor and the other at Belve. The centre at Byndoor has commenced functioning on 22.10.51 The centre at Belve will be opened on 24.10.51.

2/- It is proposed to supply Kanji made of rice and ragi, instead of rice and Milo. The ragi required for the gruel centres will be purchased from growers locally and the rice required for the purpose will be collected from philanthrophic landowners on payment of cost if necessary. The gruel will be served once a day to the deserving poor. It has been provisionally decided that one seer(local seer) of grain(½ seer of rice plus ½ seer of ragi) is to be served to 8 adults per day. I request that the Government may be pleased to approve the proposal regarding food grains proposed to be used for preparing the gruel(rice and ragi) as a special case for this district.

Yours faithfully,

For Collector.

Subj: Famine - Madras State -
Free supply of gruel - use of rice in the preparation of gruel.

Read: From the Collector of South Kanara
Ref. Pz. 26973/51 dt 24.10.51

The Govt accept the suggestion that ~~have no objection to the~~ some quantity of rice along with millets for the preparation of gruel in the gruel centres opened in the State. But the quantity of rice should not exceed 20% of the grain used ~~should be in the shape of rice~~ & the remain 80% should be in ragi, millo or other millets. The rice required should be met from rice gifts received locally or from outside. If no gift rice is available the Collector may allot the rice required (presently broken rice) stores on payment of cost. Whole rice should be allotted, only if broken rice is not available.

2. The Bd of Rev (CS) is requested to allot the gift rice received from other States and Countries, to the districts where gruel centres have been opened, in the proportion of the number of gruel centres opened in each Dt. and the number of persons fed in those centres.

A similar request was made when I was in Chittoor Dt. also. It was suggested that some of the gift rice may be given to the Dt. to be used for mixing with millets for the preparation of gruel. We must help to secure some rice or the a small quantity for mixing.

To A.S.

Please see the minutes of Hon (L.R) above. The Collectors may utilise the gift rice received locally for the gruel centres. In addition the Board of Rev (CS) may also be requested to allot the gift rice received from other states and countries among the districts where gruel centres are functioning with ref to the number of centres functioning and the number of people fed in each district. If no gift rice is available, the rice required may be allotted from Govt stocks on payment of cost as the cost of rice in the open market will be prohibitive

2. As regards the proportion of rice to millets in the preparation of kanji it is submitted

A

that most of the people resorting to gruel centres will belong to the lower classes ... normally be accustomed to a mixed diet of millet diet as regards quantities and composition to mixed diet centres and millet centres in the rationed areas of the State, viz: 3 ozs of rice + 9 ozs of dry grains and 2 ozs of rice + 10 ozs of dry grains respectively. Ratio in mixed diet centres are given as 25% of this ration in the shape of rice and millet centres are given 20% of this ration in the shape of rice. Adopting this principle and taking into majority of the persons resorting to gruel centres are mixed diet centres it seems desirable to fix a proportion of 25% rice + 75% millets in the preparation of kanji in gruel centres.

The distribution of the gift rice received here from other States and Countries are done thro the Bd of Rev (CS). On some occasions this Govt issue directions how a particular gift consignment should be distributed. Sometimes the Govt of India also allots gift rice to a particular dt. or other gift consignments, left to the discretion of the Bd of Rev (CS), which allots gift rice to the areas where the need is the greatest.

Regarding para 2 of the draft Memo, Rev may be requested to omit this para for the present and take up this question separately in consultation with the Bd of Rev (CS).

Please see the report of the Collr of South Kanara for the 2nd. 4-10-52 on f. 51 cf. It is seen from the letter that the only gruel centre functioning at Hebbar in Udipi Taluk has since been ordered to be closed with effect from 1-10-52 as there is no necessity to continue it, especially in view of the harvest of the first crop in the area. No further action is called for in the file. May be closed & recorded as a G.O.

[The expenditure on the running the gruel-Centres in South Kanara was met from out of the grant from the Prime Ministers ~~Flood + Famine~~ Relief funds and not from out of the State ~~famine relief funds~~]
